*Programs are on probation for the remainder of the year: as per bylaw, students need to apply for eligibility by filling out section paperwork. Can still be varsity eligible as long as no "athletic motivation" or undue influence is found.

**Program on suspension: students are not eligible until program is off suspension. Further investigation is currently being done on this program. Any change in status of this program will be changed on this page.

"Direct Placement" means that a student is not automatically ineligible or sub varsity eligible only. The appropriate section paperwork should be filed and the section should make a determination to ensure that the direct placement is not a result of athletic motivation or undue influence. If it is not, students should be varsity eligible, assuming they are eligible under all other state and section bylaws.
