RE: EXPECTATIONS FOR SCHOOLS, COACHES AND STUDENT ATHLETES
IN PURSUING VICTORY WITH HONORsm

Congratulations on advancing to the CIF SoCal Regional Soccer Championships. This is an achievement that deserves to be celebrated! Along with this achievement come additional responsibilities, as the spotlight of high school athletics will now focus on your school. Many individuals throughout the state will get perhaps their first and only impression of your school and community by the actions and behaviors that your team and community will display in the next week.

The CIF is committed to the principles of Pursuing Victory With Honorsm. As a condition of membership in the CIF, your school has agreed to abide by these principles both in the letter and the spirit of the rule. In short, the principles are about fair play and respect in all that you do on the court and the sportsmanship spectator's display in the stands. The CIF have high behavioral expectations as part of your participation in the CIF SoCal Regional Championships and all schools are required to have team and coaches meetings with their respective school principals to review these expectations.

During the CIF SoCal Regional Soccer Championships please remember that as an athlete and coach, you are role models to the fans in attendance. Show them the best that you can be and the best in sport by Pursuing Victory With Honorsm.

We hope all schools will enjoy the best this educational athletic experience has to offer.

ENTRY AND SEEDING INFORMATION

CBEDS ENROLLMENT CALCULATIONS

The CBEDS enrollment figures to be used for public schools in soccer are those figures certified by the public school principal in October of each year. Non-public school principals are to certify their enrollment figures as of the CBEDS reporting date for each year.

Note: Grades 9-12 are utilized for CBEDS enrollment.

Schools will be required to participate in the division that has been established by using the previous years' CBEDS enrollment.

Single Gender Schools - The enrollment for single gender schools shall be doubled in grades 9-12 to gain a total figure for the single gender school.

CLASSIFICATION SYSTEM

The CIF SoCal Regional Soccer Championships shall be conducted in three divisions. CIF Section Commissioners are responsible for ensuring that schools entering the championships meet the following CBEDS enrollment criteria:

Division	
I	2300+
II	1000 - 2299
III	11 - 999

Note: 2008-2009 CBEDS figures will be utilized to determine divisional placement for the 2009-10 soccer season.

ENTRIES – Seeding Procedures

The CIF SoCal Regional Soccer Championships will be conducted using eight-team brackets in each of three divisions for both boys and girls.

Division I, II, III – In each division the Southern Section will receive four automatic entries and the Central, San Diego and LA City Sections will each receive one automatic entry. The remaining at-large berth shall be open to teams from the Central, San Diego and LA City Sections only. Teams overall records will be taken into consideration for seeding purposes, along with strength of schedule, head-to-head competition, common opponents and geography (travel considerations). Whenever possible, schools from the same section will not meet in the 1st round.

SEEDING MEETING DATES

☐ Sunday, March 7, 2010 at the CIF Southern Section Office, Los Alamitos at approximately 2:30pm (after the SoCal Regional Basketball Seeding Meeting.)

REIMBURSEMENT POLICY

SOCCER REGIONAL CHAMPIONSHIPS

The CIF's reimbursement policy is based on three factors: safety, consistency, and an attempt by the CIF to defray some of the costs associated with participation in these championship events.

Safety

The most important factor is the safety of student-athletes, their coaches and administrators who travel to CIF-sponsored regional and state championship events. A team that travels a great distance to participate in an evening contest may request an overnight stay if they are unable to safely return to their school site. 150 miles (one way) is the arbitrary distance beyond which a team qualifies for an overnight stay. Some schools may chose to return home after an evening event, even if they are more than 150 miles from the game site, because they feel it is safe to do so. Teams who travel more than 150 miles one-way to a game but play at a time that safely allows them to travel to and from the game site on the same day will not be granted overnight approval.

In some cases it is possible to request reimbursement, even if the one-way miles are less than 150, if the safety of student-athletes is of concern.

Consistency

48 teams will participate in the SoCal Regional Soccer Championships this year. The CIF has one policy governing these 48 schools, not individual policies for each school. The CIF recognizes that all participating schools are governed by different district policies, different travel needs and geographic issues. The CIF policy is flexible enough to account/allow for some of those differences. 150 freeway miles are not the same as 150 mountain miles, for example. HOWEVER, prior approval must be obtained through the tournament director.

REIMBURSEMENT EXPENSES

The CIF reimbursement policy for this event is to reimburse schools for some of the costs associated with participation in the SoCal Regional Soccer Championships. Please review and fill out correctly the reimbursement form in the appendix.

Traveling Party.

Reimbursable expenses for the traveling party for soccer teams will be limited to 22 students and 2 adults. Schools may take additional personnel at their own expense.

Mileage

Please consult the Official Statement of Travel and Expense form in the appendices to find the appropriate mileage rate for your school. CSAA, Mapquest, etc. computations will be used to determine mileage figures. Schools must complete the Statement of Travel and Expense within ten working days of the contest to qualify for reimbursement expenses. The policy outlined above is in effect for all CIF all rounds of the CIF Regional playoffs and the CIF State championships.

REMINDER: REIMBURSEMENT FOR HOTEL EXPENSE/ OVERNIGHT STAY REQUIRES PRIOR APPROVAL!!

FINANCIAL ACCOUNTING

Report Due Dates - All financial reports and checks are due within ten (10) days of the contests. These forms must be completed and mailed within the ten (10) day period

Ticket Sales.

In the preliminary rounds I and II, the host school will provide the tickets. The CIF does not supply tickets. There are no pre-sale tickets.

The host school must fill out the Game Management Form. This form must be sent to the State CIF Office **within ten working days of the contest**. A net profit check, including all revenues derived from the game after approved expenses, should be made out to the California Interscholastic Federation.

Traveling teams shall completely fill out the Statement of Travel and Expense and send to the State CIF **within ten working days of the contest**.

Please send all financial reports and checks in ONE package/envelope to:

COMMUNICABLE DISEASE PROCEDURES

While the risk of one athlete infecting another with HIV/AIDS during competition is close to non-existent, there is a remote risk that other blood-borne infectious diseases can be transmitted. For example, Hepatitis B can be present in blood as well as in other body fluids. Procedures for reducing the potential for transmission of these infectious agents should include, but not be limited to, the following:

1. The bleeding must be stopped, the open wound covered and if there is an excessive amount of blood on the uniform it must be changed before the athlete may participate.
2. Routine use of gloves or other precautions to prevent skin and mucous membrane exposure when contact with blood or other body fluids is anticipated.
3. Immediately wash hands and other skin surfaces if contaminated (in contact) with blood or other body fluids. Wash hands immediately after removing gloves.
4. Clean all contaminated surfaces and equipment with an appropriate disinfectant before competition resumes.
5. Practice proper disposal procedures to prevent injuries caused by needles, scalpels and sharp instruments or devices.
6. Although saliva has not been implicated in HIV transmission, to minimize the need emergency mouth-to-mouth. Resuscitation, mouthpieces, resuscitation bags, or other ventilation devices should be available for use.
7. Athletic trainers/coaches with bleeding or oozing skin conditions should refrain from all direct athletic care until the condition resolves.
8. Contaminated towels should be properly disposed of/disinfected.
9. Follow acceptable guidelines in the immediate control of bleeding and when handling dressings, mouth guards and other articles containing body fluids.

SPECIFIC SPORT RULE FOR SOCCER

When it is detected that a player is bleeding, has an open wound or has a uniform with an excessive amount of blood on it, the game shall be stopped at the earliest possible time. The player shall be removed from the game for proper treatment.
